The Honorable Robert L. Ehrlich, Jr.

Bob Ehrlich for Maryland

2024 West Street, Suite 100

Annapolis, MD 21401

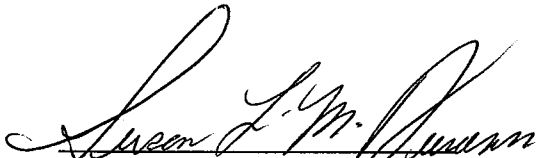

Dear Governor Ehrlich:

We write today to endorse you to be Maryland's next Governor. The Republican members of the Maryland House of Delegates are ready for you to return fiscal responsibility to the State of Maryland and help create jobs for hard working Marylanders.

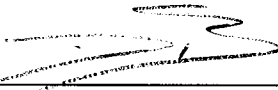

Many of us had the pleasure to work with you for four years to hold the line on taxes and turn a \$4 billion deficit into a billion dollar surplus. Together we fought and defeated billions of dollars of tax increases proposed by the Democrats in the General Assembly. In your four years in office, Maryland saw 100,000 new jobs created. In the last three years, 100,000 working Marylanders lost their jobs. The current administration pushed through the largest tax increase in Maryland's history, and this has had a crippling effect on Maryland's small businesses. These tax increases have moved Maryland in the wrong direction and created the largest number of jobs lost in Maryland's history.

We know you will be a Governor who will lead Maryland to a brighter future. We look forward to working with you as you bring fresh ideas to Annapolis.

Sincerely,

The Honorable Susan L. M. Aumann

The Honorable Robert L. Ehrlich, Jr.
Bob Ehrlich for Maryland
2024 West Street, Suite 100
Annapolis, MD 21401

Dear Governor Ehrlich:

The Maryland Senate Republicans are excited to endorse you in your campaign for Governor. We stand ready to assist you in creating more jobs and returning fiscal responsibility to Maryland.

During your administration, you put Maryland's fiscal house in order and turned a \$4 billion deficit into a \$1 billion dollar surplus. With the help of the Senate Republicans, you stopped billions of dollars of tax increases proposed by the Democrats in the General Assembly and saw 100,000 new jobs created.

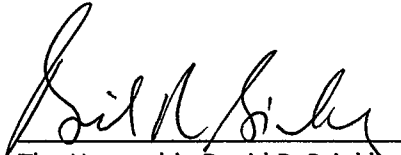

In sharp contrast to your strong fiscal leadership, the current administration pushed through the largest tax increase in Maryland's history including a 20% increase in the sales tax. These tax increases have moved Maryland in the wrong direction and created the largest number of jobs lost in Maryland's history - more than 100,000.

You have proven your leadership for our State, and we are confident in your ability to lead once again. We look forward to working with you as you bring fresh ideas to Annapolis.

Sincerely,

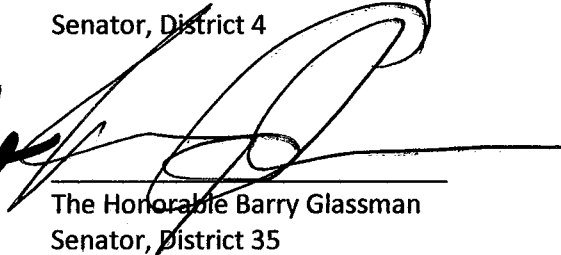

The Honorable Richard F. Colburn
Senator, District 37

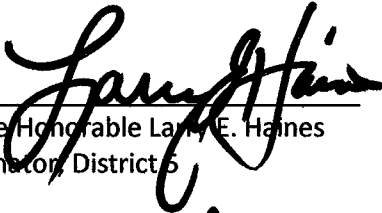

The Honorable David R. Brinkley
