Dear Colleague:

I wanted to contact you about recent reports that indicated I might leave District government for a position at Amtrak. While I was honored by this offer, ultimately I decided to remain as the District's chief financial officer.

As you may know, I was recently reconfirmed by the Council for another five-year term as CFO. This show of support is a testament to what we have achieved in the past seven years – consistently balancing the budget and obtaining clean audit opinions, and receiving our highest bond ratings from all three rating agencies simultaneously. It also shows the Mayor's and the Council's confidence in our ability to tackle the tough issues that lie ahead. I look forward to working with the elected leadership in doing so.

We have assembled a very talented and dedicated team in the Office of the Chief Financial Officer, and each of you has been integral to these accomplishments. I look forward to working with you to raise further the standard of financial management in the District of Columbia and to continue to set an example for other governments nationwide.

Thank you for your dedication to the District's financial viability. With your help, I truly believe our greatest days lie ahead.

Sincerely,

Natwar M. Gandhi  
Chief Financial Officer
