Greg ask them to see if they could find something similar or the same with DC tags and they said they didn't have one. The other option would be the new Honda Hybrid.

Have we been able to provide him a vehicle yet.

Also the vehicle we are leasing, does it have DC tags or MD/VA tags ?

Thanks

Bill

Vehicle Lease Price Quote
Prepared For: *Department of Public Works*
Attention: Angela Coates
Date Prepared: 11/20/10
GSA Contract Number: GS-30F-0005L

Model Year: 2011
Miles: 15,000/year
Excess: \$0.15/mile
Terms: Net 30
Min. Order: One Vehicle

Item No.	Vehicle Description	Make	Model	Number of Units	Base Year	Option Yr 1	Option Yr 2
001	Full Size SUV, 4x4	2011 Lincoln	Navigator L	1	\$2,449.00 per month	\$1,059.00 per month	\$819.00 per month

Customer Information:

1. Lease price quotes are based on a fixed payment/closed-end lease for 2011 model year vehicle for term selected, and quote is valid for 10 business days.
2. Fuel and lubricants, insurance, licensing and registration, taxes, and maintenance not covered by manufacturers' warranty are not provided by the lessor/contractor. Any costs incurred to perform any additional services or to provide additional items are not included in the lease prices provided herein.
3. Vehicles are covered under manufacturers' 36-month/36,000 mile warranty, including 24/7 Roadside Assistance.
4. Delivery window 30 days after receipt of order for new vehicles.
5. Vehicle Maintenance is not included in above quotes. Vehicle maintenance can be added for an additional \$30 per month, per unit
6. Prices include 15,000 miles per year. Excess mileage charges will be invoiced at lease termination.
7. Prices are monthly and are net of all discounts. Minimum term is twelve months.
8. Business Size: Small, DUNS number 96-512-8929, EIN 06-1425257, CCR number 1998 D273 080.
9. Lessor/contractor is WAWF-qualified.
10. Offered vehicle is in dealer retail inventory, and is subject to prior sale. Call to confirm availability prior to issuing contract/purchase order.

Sheila,

Please be advised that we will accept the black 2011 Lincoln Navigator L Series with the rear entertainment center deleted and with the "Stone" interior color in lieu of the color that was included in the FMA specifications (black). Please be also advised that is very important that we would like the vehicle to be delivered as close to the Dec. 20th as possible and with regular (pleasure not gov't) D.C. tags and registration provided.

I understand that the vehicle was located in N.Y. How will the vehicle be transported to you from N.Y.? Mileage concerns.

Good morning,

Mr. Biggs,

I spoke to Lucille Vest this morning regarding the status of the Leasing contract which also includes the Mayors Lincoln Town Car. I was told by Ms. Vest that because this is a \$1million contract it has to go for approval from the City Council. Should we pull this vehicle from that contract because it is critical that we have this before January 2nd.

Gena,

The Town Car will most likely be the week of Jan 3rd (assuming Acme is awarded the contract and PO within the next day or two). As I mentioned to Lucille Vest last week, our process for securing vehicles is officially kicked-off once the government award and PO have been issued to Acme. While waiting for the Town Car, we would be happy to provide a loaner. As a matter of fact, we have a slightly used black Chrysler 300 sedan in inventory that could be driven in the interim period.

Thanks.

Larry,

If this vehicle wasn't accepted, it would have taken another 4 to 5 months to procure another one. Concerning the vendors that were contacted, Acme and Enterprise did not have any Navigators period. There were absolutely no other options available considering the time constraints that were placed.

Subject: new Navigator

Angela:

I found the only Navigator L in inventory within a 6 state area.

This vehicle has a black exterior and a Stone interior (the description of stone is: Neutral Gray)....

This vehicle does not have the rear entertainment system. It does have the GPS Navigation system, power moon roof & aluminum wheels.

I must have a written acknowledgement from you this day approving the purchase of this vehicle.

Thank you,
Sheila

Subject: RE: new Navigator

Nyasha

The Black on Black Navigator L is no longer being produced by Lincoln-Mercury. Only the Black on Gray (stone) is still in production for the 2011 Model Year.

The Black Navigator that we delivered yesterday has gray interior, GPS, power moon roof and the aluminum wheels. What it is missing is the black interior and the entertainment system.

The leasing company has found on a computer database a Navigator that has all five of the requirements stated (including black interior) in Kansas City, MO. They are confirming the vehicle is still available but have not gotten back to us yet. The delivery date is 14 days if the vehicle is still available.

As noted below in the initial email we found the only black Navigator L in a six state area. Given that we were trying to deliver the vehicle as soon as possible we compromised on the color of the interior. I take full responsibility on that issue.

The options are as follows:

1. Accept the current Navigator that he has
2. Order the vehicle from KC with the two week delivery date (assuming it exists)
3. Order another model with Black on Black other than the Lincoln Navigator L.
The Navigator L is the luxury model and then there is the Navigator. It is possible that the Leasing company could find a Navigator (not the Navigator L) that has Black on Black and all or some of the other options.

I will keep you posted.

Thanks

Bill

Hi Mr. Howland:

I am reaching out to you in my capacity as soon-to-be Secretary of the Council in hopes that you can help me fulfill a request from Chair-Elect Brown. We requested from Department of Public Works in October a black Navigator, black-on-black interior, GPS, power moon roof, rear entertainment system and aluminum wheels. Notwithstanding our timely request, we were not apprised of the difficulty in procuring the requested vehicle within the time frame and only yesterday, upon the vehicle's delivery, realized that we did not get what was requested. I am trying to get what was requested. Can you help us?

I am cc'ing Mr. Lew on this email as well so we all can come to a timely resolution together.

I look forward to hearing from you today if possible.

Nyasha Smith

Hi Mr. Howland:

Chair-Elect Brown would like to go forward with the vehicle from the midwest. I have explained that it will take about two weeks for it to arrive. In the meantime we will keep the vehicle that was delivered yesterday.

Just to make sure we want black-on-black, rear entertainment system, gps, moon roof, aluminum wheels.

Thanks a lot!
Nyasha

Allen

I met with him personally around 6pm this evening. I told him that the manufacturer has stopped making black on black navigators.

We told the leasing company that we need one. They have found one (black on black) on a dealer lot in Kansas City. We put in a PO this afternoon to acquire it as a leased vehicle. They have given us a delivery date of 7-14 days.

I told CM Brown 14 days for a delivery. I will inquire in the morning what it will cost to get it here sooner.

I will talk to you in the morning on what where we are.

Thanks

Bill
